

Happy New Year! I hope you have all had a wonderful holiday season. I enjoyed camping up in Northland and a few days in the Coromandel, with a mixture of river, lake and sea swims.

January Product Special

Green Earth Bathroom and Toilet Cleaners.

These have the Environmental Choice Certification. They are made from all natural ingredients, are biodegradable and non-toxic.

Green Earth products have been used by commercial cleaners for years and are designed to do the tough cleaning commercial environments require.

Bathroom and Toilet Cleaner come in a concentrated formula which are diluted from 30-1 for light cleaning to 5-1 for heavy duty cleaning.

Great on the environment and great on your budget!
